

God and Your Stuff: The Vital Link Between Your Possessions and Your Soul

How we handle our earthly possessions directly impacts our eternal soul. Countless Christians are not aware of the connection between their faith and their finances. Many believers feel their income is too limited to give. Others want to share in the work of God's Kingdom, but don't know where to start. In *God and Your Stuff*, Wesley Willmer challenges the thinking that what we do with our stuff has no effect on the Christian life. An established authority on stewardship as a spiritual discipline, Willmer lays a biblical foundation for the crucial connection between our eternal souls and our earthly possessions. Learn how our use of possessions is a good barometer of our character, and how our giving practices develop our faith and shape us into the stewards God intended us to be. If you are ready to add a new dimension to your Christian walk, let *God and Your Stuff* show you how to build a vital link between your possessions and your soul.
