

Fight (Caged Trilogy Book 2)

Tilly and Dominic are prisoners of the witches, and Spencer will do anything to rescue them, even as his dreaded wedding day gets nearer. What he doesn't know, is there's a traitor in their midst, and she's determined to make him hers. With her eighteenth birthday approaching, Tilly is in serious danger of becoming host to a demon, while Dominic suffers every time she leaves his side. Time is running out for all of them, and the only way any of them will make it is if they fight.
