

The Nazi Hydra in America: Suppressed History of a Century

A piercing study of the tenacious roots of American fascism in our plutocracy, from robber baron days to Reichstag fire to the WTC atrocity and Homeland Security. This sweeping, 700-page documentary of the American oligarchys century-long project for world dictatorship is bound to be a landmark in the writing of American history. Includes a blow-by-blow account of the successful fascist assault and takeover of Americas media.
