

# The Rotten Food Cookbook: A Parody CookBook On Food Safety

The Rotten Food Cookbook is a parody cookbook with a very strong purpose. Recipes such as Chicken Seizure Salad and Oysters KilledPatrick demonstrate how you can easily give someone food poisoning. Each recipe then has some short tips on how to avoid the problem. The Rotten Food Cookbook is a blend of dad jokes, mistakes, tips, and facts. One critique described it as in poor taste but everyone within the hospitality industry has applauded its bold approach to tackling the key food safety issues. The Rotten Food Cookbook is ideal for anyone who cooks - both professionally and domestically. It is the ideal gift for that person as well as being an ideal teaching aid.
