

Being Catholic isn't easy. In fact, it's just gotten harder. With the recent election of our current Pope, a new wave of attacks is under way by the enemies of the Catholic Church. From this point forward, every Catholic will come face-to-face with the vicious anti-Catholic attacks that are being launched against the faith. Here at Catholic Answers, the most effective products for countering attacks and clearing up misunderstandings have been our tracts. They've been around since the beginning of the apostolate and have resulted in many thousands of conversions. These tracts provide a real point of contact for someone in discovering the truths of the Catholic faith. We've decided to compile seventy of the best tracts into one cohesive, comprehensive book that can be used by anyone, anytime, anywhere to defend the Catholic faith. The Essential Catholic Survival Guide is indexed according to topic in a unique question-and-answer format that allows the reader to find the right answer to any question instantly. It covers the questions and misconceptions people have about the Catholic faith on a variety of topics, including: * The Church and the papacy * Scripture and Tradition * Mary and the saints * The sacraments * Salvation * Last things * Morality and science * Anti-Catholicism * Non-Catholic churches and movements * Practical apologetics Its the essence of Catholic apologetics - all rolled up into one attractive, easy-to-use manual that is destined to become the most effective tool of its kind.
