

## Unveiling Daniels Prophecies of End-Time Events: an investigative study of the prophetic sequence of end time events in Daniel 2 & 7, with Revelation 13 & 17

Here is the book you have been waiting for! There is no doubt that the books of Daniel and Revelation contain some of the most difficult and complex prophecies in the entire Bible. Unveiling Daniels Prophecies of End Time Events clarifies many of the complexities and answers some of the most challenging questions contained in these prophecies. It sets forth a new and strikingly simple prophetic explanation that allows the reader to fully understand the prophetic sequence contained in Daniel 2 and 7 in association with selected prophecies from Revelation 13 and 17. Many books have offered interpretations of the prophecies of Daniel and Revelation, but little attention has actually been given to unfolding prophetic events within the prophetic timeline. In this unique book, the author attempts to rectify this. By sequencing the prophecies of Daniel 2 and 7 along with associated prophecies from Revelation, the author is able to present the logical unfolding of prophetic events from the first world empire to the fall of Rome, to the rise of the ten-horn seven-headed beast, the wounding of the beast, to the rise of the Antichrist, to the coming of the Lord Jesus, the King of kings, and Lord of lords. Unveiling Daniels Prophecies of End Time Events is a highly readable volume and will be a valuable resource for pastors, Christian educators, Bible students, and all who are interested or curious about the prophecies of Daniel and Revelation.
