

An A-Z of Careers and Jobs

Recognised as the most dependable career guide available, the twelfth edition of the A-Z of Careers and Jobs will help anyone to make those vital career decisions. The book, containing facts and advice on over 300 different occupations and job types, continues to strengthen its reputation, and currently enjoys the full backing of The Times. Comprehensive and reliable, it provides full details of the job opportunities available, the personal qualities each job requires and the qualifications or training needed. Complete with useful contacts, and now with detailed listings of information available online, it also provides realistic salary ranges for each job. Fully updated, this essential book is the ideal starting point for anyone about to enter the world of work.
