

Originally published in 1889, this is a wonderful cookery book full of old and forgotten recipes from the turn of the century. As well as being packed with many charming old adverts and quirky food stuffs, much of the content is still of practical use in the kitchen today. Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. Vintage Cookery Books are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.
