

The Centre For Fortean Zoology Yearbook is a collection of papers and essays too long and detailed for publication in the CFZ Journal Animals & Men. With contributions from both well-known researchers, and relative newcomers to the field, the Yearbook provides a forum where new theories can be expounded, and work on little-known cryptids discussed.

The Worlds Most Haunted Places, Revised Edition, The Gemstone Chronicles Book One: The Carnelian, The Third Eye: Tara Trilogy, The 12 Freedoms of Healthy Families, Shaman King. Perfect edition vol. 22, Logic: A God-Centered Approach to the Foundation of Western Thought, My Life in My Pocket for High School Students (and those who love them),
