

Awakening to Awareness: ALIGNING YOUR LIFE WITH WHAT REALLY MATTERS

What is it that sets some people apart? its the way they act. And interact only with that which is true to their values... like integrity and simple human decency. What is the root cause of the most peoples problems theyre misaligned - in work, inrelationships,, in life - with values they hold to be true .. and that leads to dissatisfaction. This compelling book invites you to become inspired just as easily as you inspire others. It blends everyday perspectives, ageless wisdom and simple considerations, each worthy of reflection and conscious action. Awakening to Awareness highlights the simplicity in and power of personal choice which, when invoikedk, can yield amazingly valuable and virtuous possibilities.
