

Filling in the Dash

How are you Filling in the Dash? Your whole life is a journey traveled along the dash on your tombstone between your birth date and date of death. There is no magic formula that makes some peoples lives more happy and successful than others. It is a journey...a quest. Its a lifelong search full of diverging paths, challenging conditions, and predators. In fact, staying on the straight and narrow is anything but easy. It is possible, though, if you include one invaluable element. Author Katherine Ford not only reveals that special something but tells you how to find and take the path that leads you directly to eternal happiness. Stop looking for something or someone else to make you happy. Within these pages youll learn how you can control what direction you take in life and your final destination. Isnt it time you began taking charge of your tomorrows by deliberately Filling in the Dash?
