

## Fair-Weather Friends (Good Girlz Book 5)

Welcome to the club.... The Theta Ladies are the hottest new high school sorority, and Camille wants in! After seeing the girls perform a fantastic show at her school, Camille's dreaming of donning the pink satin T-shirt of the Thetas...and is beyond flattered when the sorority sisters actually acknowledge her existence. If only she could persuade her best friends -- Alexis, Jasmine, and Angel -- to join with her.... Is it worth the price of admission?

Jasmine has always butted heads with Tori Young, the Theta Ladies president, and she wants no part of the exclusive sorority scene. Camille, Alexis, and Angel are excited to be pledging and are up for any challenge. When it is time to announce new members, Camille and Alexis are accepted and Angel's left out in the cold. Despite her disappointment, Angel encourages her friends to enjoy themselves. But when the real reason for Angel's rejection comes to light, Alexis and Camille must choose: Do they break their commitment to their newfound sisters to take a stand for their sister at heart?
