

## Child Abuse: Were You Abused As A Child?

Do you have boundary problems? Are you out of touch with your own needs and feelings? Do you tolerate abusive relationships? Are you unable to feel safe? Do you believe there is something wrong with you? Is it hard for you to trust people? If you answered yes to any of these questions, you could have been abused as a child. Child Abuse: Were You Abused As A Child? takes a closer look into what can happen when someone has been abused as a child. Firstly, there is what took place, then there are the consequences, and finally there is what needs to occur in order for someone to move forward and heal themselves. This book takes a look at each of these stages, providing support, validation, and encouragement along the way.
