

How to Stop Worrying and Start Living by Dale Carnegie Authoritative English Edition (Chinese Edition)

Published in 1948, this book is one of the three major textbooks of the Carnegie Adult education classes. This is a book about how humans can conquer worrying. The sole purpose of this book is to help you solve the biggest problem you face: how to deal with people in your daily life, business activities and social interaction, and to effectively influence others; how to beat the enemy of mankind's survival worrying, in order to create a kind of happy life. When you solve this problem through this book, other problems will be readily solved.
