The Witch Queen has reached a new level of evil. Kiera is helplessly stuck in Zakks realm. With the vortex destroyed, she is desperate to find a way home. Her Uncle Tom, her friends and now the boy she loves, are in danger. Will Kiera find the strength and the self-belief she needs to save them? On her lonely journey she meets new allies from peculiar races. The Prophecy is all falling into place. Will Kiera be able to forgive the people she trusted? Will she be able to save the world from her twisted nemesis, the Witch Queen? Will she finally believe that she is indeed the chosen one?
