

Haunted Yarmouth:: Ghosts and Legends from the Cape (Haunted America)

Inspired by Ella Brays 1937 All Around the Common, this collection of stories explores the unexplained in historic Old Yarmouth. From the shore-whaling ghosts of Barnstable and the owners of the Liberty Hill Inn, who found a disembodied leg during renovations, to the strange happenings at Edward Goreys house, the interviews and accounts from local residents paint a portrait of Cape Cod unlike any other. Whether or not you believe in the supernatural, the lore of the sea is sure to delight in this haunting tour.
