

Would you like to minimize the mistakes made by many others before you? Do you want to maximize the moments that lie ahead of you? Most importantly, do you desire to make today count? In *Wisdom Gold*, Dick Biggs provides a proven 4Cs system that has been hammered out on the anvil of time and is rock-solid: Character (or the lack of it) influences choices. Choices determine conduct. Conduct produces consequences. And consequences are a reflection of character (or the lack of it), choices and conduct. You'll find provocative thoughts, personal experiences, practical advice, insightful quotes, exercises, discussion questions and a personal action plan. Take advantage of this golden learning opportunity by reading, studying and applying the principles of this book.
