

This is the fourth biennial edition of this handbook, which presents statistical data concerning the foreign economic relations of the European member countries of the Council for Mutual Economic Assistance (CMEA): Bulgaria, Czechoslovakia, the German Democratic Republic, Hungary, Poland, Romania, and the USSR. It also includes information on Yugoslavia. The handbook provides facts and figures on international trade flows, and on turnover in selected trade commodities between the supranational trading groups such as OECD, EEC, EFTA, and CMEA, and between CMEA members. It also provides information on international indebtedness.
