

Searching for the New Normal: My Personal Journal as My Greatest Fear Is Realized--The Death of My Child. (Paperback) - Common

This book is for anyone experiencing grief especially someone who has lost a child. The manner in which your child died may be the only difference you and I share. The grief we now feel after the death of our dear cherished children puts us in a very distinct group of people. Parents are not supposed to bury their children. This isn't normal nor is it the cycle of life. I never knew it was humanly...
