

The Complete Martial Artist

In martial arts there is a wide array of forms and highly specific styles. This diversity encourages an emphasis on the differences between the philosophies, techniques, and practices associated with each art. In *The Complete Martial Artist*, Willie The Bam Johnson presents a unified, holistic approach to personal excellence known as Wushudo Universal Martial Arts for all martial artists. This approach focuses on furthering the physical, mental, and spiritual development of anyone in any martial arts form. Willie The Bam Johnson's accomplishments have been both record-breaking and history-making. He is a seven-time sport karate and kung fu world champion, a two-time All-American champion, and the first nationally ranked Triple Crown martial arts champion. In *The Complete Martial Artist*, Johnson provides explanations on how to turn negatives into positives by applying martial arts principles to everyday life; an introduction to Wushudo and its 12 universal principles; details on how to benefit from qualities like discipline, concentration, and determination in practice and competition; drills to improve focus, fluidity, balance, endurance, coordination, and confidence; insights on how to develop the free mind, reaction time, and reflexes to outmaneuver opponents; and the strategies he uses and you can use to keep motivated. Whereas most books concentrate exclusively on either the skills, drills, or spiritual aspects of martial arts, *The Complete Martial Artist* covers the development of the whole self physically, mentally, and spiritually. It will show you how, no matter what your martial arts style, you can develop all the essential components to become *The Complete Martial Artist*.
