

Confidence In Conflict For Campus Life: The Must-Have Safety Resource for Every College and College-Bound Student

The college campus environment sets the stage for some of the most fun and exciting experiences of a persons life. However, it is also an environment that poses many risks. This book will help you make the most of your college experience by equipping you with the skills to stay safe on campus and deal effectively with the conflicts and crimes you will likely encounter. Here is just some of what youll learn: - The personal safety awareness skills you need to protect yourself - How to navigate awkward situations and conflicts with friends - The red flags of high-risk behaviors and the risk indicators of potential threats - How to address hazing and sexual assault - How and when to safely intervene when you witness something going wrong - What to do in the event of a school shooting
