

Conscious Being: Awakening to Your True Nature

Both inspiring and enlightening, Conscious Being is a compelling resource for those seeking self-realization. It serves as a guide for awakened living, which is a state of higher clarity and presence and is a more natural condition than many are aware exists within each of us. Author and spiritual teacher Tj Woodward creates a powerful philosophy for living by masterfully weaving personal stories, entertaining anecdotes, and deep, mystical truths. The result is a composition that offers practical guidance to show the benefits of spiritual transformation, while encouraging each of us to shift into a deeper awareness of our authentic inner wisdom. Conscious Being shows us how the circumstances of our lives and what we call reality are created by our level of consciousness. It offers methods for unlearning and releasing self-limiting beliefs and the illusion of ego so we can come into alignment with an existence overflowing with compassion, love, and purpose. This great remembering, as Tj Woodward calls it, is available to us at every moment, for it is our true nature and our divine birthright. If you are ready to open your heart to a new way of being and embrace a life filled with profound peace, connection, and happiness, Conscious Being is the book for you!
