

The Ghost Hunters Bible The Deluxe Edition

The Ghost Hunters Bible - The Deluxe Edition ~ Now Including, The Book of Ghosts. Everything that you wanted to know about ghosts, and some things that you did not want to know! The Ghost Hunter s Bible was written to help people understand and deal with the phenomenon of ghosts, poltergeists and other paranormal entities. It presents facts and methods, covering in detail, exactly what you need to have and what you must do on a ghost hunt. Learn what it takes to study ghosts and become a ghost hunter. This book will teach the correct methods of conducting an investigation, from using the proper specialized equipment to finding the ghosts. It will prepare you for everything that might encounter on a ghost hunt. This book is a wealth of ghost hunting information. Hundreds of books have been written about ghosts and the paranormal but this book is unique. It has been designed to do more than teach basic ghost hunting techniques. The Deluxe Edition includes The Ghost Hunters Bible and The Book of Ghosts. Two books in one edition! Learn how to develop and use a spirit profile to track the manifestations of a ghost. Read complete descriptions of over thirty different types of common and malicious ghosts each with its own story. Study critical thinking skills needed for achieving successful ghost hunts. Develop and apply ghost-hunting knowledge through this remarkably thought provoking guide into the world of the paranormal. Learn how to properly interview witnesses and decide what tools are right for a ghost hunt. Study the correct techniques and analysis methods for (EVP) electronic voice recordings, ghost photography and digital video recording. Examine the science and methods behind Parapsychology and ghost hunting and see answers to dozens of frequently asked questions. Learn the many definitions and characteristics of ghosts including the

sixteen different theories for ghosts. Understanding how ghosts communicate and how a ghost uses energy. Decipher the cause, meaning and origin for each type of ghost. Study the eight classifications of haunted houses and how they affect a ghost hunt. This comprehensive guide provides vivid descriptions and is richly illustrated with dozens of unique images. The knowledge and skills gained through this book will help a ghost hunter effectively conduct investigations into the paranormal. The only absolute rule of ghost hunting is, be ready for anything! The Ghost Hunters Bible Deluxe Edition makes that possible.
