

Cross Me Off Your List (Saturn Series Book 3)

Spring break in Los Angeles with her BFFs has been Marisol's driving force to get through senior year. But when a falling out dents her plans, Marisol tucks the broken friendship into her back pocket with her cell phone and spring break bucket list. Surf city Crescent Cove isn't exactly LA, but once she meets a tattooed brunette named Noah in the hotel elevator, Marisol really doesn't mind crossing off the items on her list without her friends - especially after Noah offers to help. Unaware that Noah fits the criteria for item #3 (meet a celebrity), Marisol is instantly thrown into the world of paparazzi, wild nights, and a spring break she'll never forget. While her friends are making memories in LA, Marisol is making tabloid headlines. But after slipping a Spaceships Around Saturn secret to the media, Marisol has to fight hard to survive her fifteen minutes of fame and get back on Noah's good side before he crosses her off of his list for good.
