

Creativity 101: Insights, Quotes, and Reflections to Inspire You to Rediscover Your Creativity (Business Magic®, Randall Munsons 100 Series)

Powerful insights in digestible bites! You want to be creative, not just learn about creativity. Rather than spend your time and a lot of money studying the concepts of creativity, you can recapture your own creativity. More than 100,000 people have benefitted from Randal Munsons insights and measurably boosted their own creativity. Condensed in this book is the authors collection of brilliant statements that quickly convey the essential concepts that will increase your creativity. In this book you will learn: How to boost your creativity How to blast through barriers How to get your creative ideas flowing How to apply the advice of experts to your own needs Nowhere else can you easily discover the techniques the most creative people in the world have used to develop breakthrough ideas. Randall Munson, president of Creatively Speaking and founder of International Creativity Month, is a best selling author and international award-winning professional speaker delivering a refreshing blend of information, inspiration and insight, sparkling with warmth, humor and magic. He impacts organizations across 6 continents with his books and programs that combine genuine substance and captivating style. www.CreativelySpeaking.com Business Magic Series
