

Crosswalker (The Neither Nor Series) (Volume 2)

Two secret wars are being waged; one that threatens the living, the other threatens the dead. And Edgar Flax is caught in the middle. Angry and resentful, he's lived in the constant shadow of his parents' disappearance, struggling to find meaning in a world where he had no control. Now he knows that he must risk his own soul and use his newly found gifts to travel to the other side if he wants to end this paranormal conflict and bring his parents back. But there are some doors that should never be opened. Some lines are not meant to be crossed.
