

Dame Darcys Meatcake Compilation

Victorian humor, horror, and romance from a unique comics stylist. One of the most beguiling presences on the comics scene, Dame Darcymusician, actress, cable TV star, fortune teller, dollmaker, and last but not least, cartoonist to the core has been bewitching readers for over ten years with her neo-Victorian horror/humor/romance comic Meatcake. Alternating between one-off (often cruelly tragic) fairy tales and ongoing romps starring her eclectic cast of characters, including Effluvia the Mermaid, the roguish rouse Wax Wolf, Igpay the Pig-Latin pig, Stregapez (a woman who speaks by dispensing Pez-like tablets through a bloody hole in her throat), the mischievous Siamese twins Hindrance and Perfidia, Scampi the Selfish Shellfish, the stalwart Friend the Girl, and the blonde bombshell Richard Dirt, all delineated in her inimitable luxurious scrawl, Meatcake is like a peek into the most creative, deranged dollhouse you ever saw. Dame Darcys Meatcake Compilation assembles in clothbound luxury the very best from the first decade of Meatcake (including Hungry Is the Heart, the legendary collaboration with Watchmens Alan Moore, a big Darcy fan who has worked with her on his ABC Comics) almost 200 pages of wild and woolly comics. Darcys fans include many of her fellow cartoonists, and such similarly flamboyant personalities as Courtney Love (who once memorably guested on Darcys cable TV show Turn of the Century). She also has a huge following in the Goth community, who enjoy her wickedly ghoulish sense of humor and retro art style. 200 pages b/w illustrations.
