

Run Danny, Run

For Mature-Adult Audience: Larry Reynolds is a recently married man, with a loving wife, Anne and two adopted children who think the world of him. Life is peaceful, with plans being made to go camping for a week. That is, until a letter arrives with no return address. It says he has a son, Danny he never met. Apparently the boy was born as a result of a relationship Larry had many years before. After much soul searching and discussion with his family Larry goes on a quest to find his son. Unknown to Larry, Danny is very angry due to unhappy years in foster homes and is seeking his dad to enact some kind of revenge. Note: A former Police Chief in Truro, NS -- Mr. Lonnie Murray -- provided advisory assistance on various issues. Unfortunately he passed away before seeing the completion of this novel.
