

Dark Touch: Fever

Deepdene has been swept by what seems to be a vicious tropical disease. Luckily Eve and Jess are both healthy so they're taking their chance to enjoy the unseasonal heat wave. But then teenagers start to disappear. The spread of the disease worsens and the town is placed under lockdown. A demon is among them. It could be anybody. And now there's nowhere to go... The third title in this successful series. For all fans of Buffy the Vampire Slayer, Charmed and Twilight.
