

How 50 Couples Found Love After 50

The heart-warming, modern-day stories of how 116 widows, widowers, divorced and never married people in their 50s, 60s, 70s, and 80s found love. Their stories provide information, ideas, inspiration, and above all HOPE for older singles. These are everyday people, not movie stars, celebrities or models. By reading this book, you will learn where to search for love, where others have found love after 50 and the way to dramatically improve your chances of finding love. Initially, there were 50 couples. But so many wonderful stories kept coming in that I decided on 58 couples, using eight stories as a bonus to the original book (We kept the original title). Enjoy this book, learn from it, and improve your chances for love.
