

Destined for Despair (Destined for Dreams Book 2)

Life isn't easy for seventeen-year-old Nadia Petrov once she's in love with Hunter Sullivan, a boy whose mother is on the board of the Human Preservation Agency, an organization determined to kill people with special abilities like her own. Desperate to experience a forever love, Nadia and Hunter risk their lives to be together even though the discovery of their relationship will not only destroy it, but will kill them in the aftermath. A swell in HPA activity in a nearby city puts Nadia and Hunter on edge. Nadia finds her world falling apart when someone she loves is captured by the HPA and held prisoner in their termination facility. Nadia and Hunter's relationship must survive the ultimate test when Nadia, with the help of her friends, plans to cross enemy lines on a rescue mission to free her loved one. Faced with a heartbreaking decision, Nadia must decide if her love for Hunter is worth the fight or if she should accept that their life together is destined for despair... Destined for Despair is the second novel in the Destined for Dreams series.
