

Gods Method of Salvation

Gods Method of Salvation seeks to make clear the biblical truth of Gods redemptive plan. Because Salvation is Gods plan, the Scriptures are the only rule of authority concerning these matters. We have many isms today that add human reasoning to Gods Word. We also have many who will search the world over to find a fellowship with which they can agree instead of first seeking to know and understand what Gods Word teaches. When we are seeking to know Gods Word, we must have only one teacher: the Holy Spirit. It was He who directed the writing of Scripture to begin with. Gods Word, the Holy Bible, is the final authority on all teaching of faith and practice.
