

Doctor Dog: Healing Touches from Pets We Love

In Search of Hope and Comfort? The Doctor Is In. If you are a dog lover, you know that nothing compares to the companionship of a furry, four-legged friend. Dogs trot into your life to snuggle up and bring healing when and where only God knows its needed. Enjoy this collection of heartwarming stories about dogs who coax miraculous responses from the sick and elderly, provide a lifeline for children and adults with special needs, and offer a balm to those crushed by depression, and they do it all with gentleness and love. In addition to these inspirational tales of divinely orchestrated canine interventions, M.R. Wells draws on Scripture and applies biblical truth to remind you that God uses His creation to lavish love on you, in turn making His love and care more real in your life. So unleash the worry that ties you down. Let Doctor Dog be your prescription for hope and comfort.
