

Dont Tell examines the effects of sexual abuse on the emotional and sexual life of men, including their sense of self and their personal relationships. Using the first-hand accounts of victims Dorais shows that certain reactions are specific to male victims of abuse as they attempt to preserve a sense of physical integrity and masculinity. He also provides innovative strategies for both prevention and treatment that will be of use to those who have suffered abuse as well as to their families and all those who are trying to help them - spouses, friends, social workers, and therapists.

Great Pacific #5, The Aims of Jesus: (Princeton Theological Monograph Series), The Triumph of the Sea Gods: The War against the Goddess Hidden in Homers Tales, Power Of Positive Thinking Book: Tips, Tricks & Traps, 7 Action Steps To Change, Armchair Mountaineer, For the Love of Katlyn: principles and practices for a better life, One Hundred Years of Scottish Football, Despues de la infidelidad: Sanando el dolor y restableciendo la confianza cuando la pareja ha sido infiel (Spanish Edition),
