

## Obsidian Sky: Book #1 of the Obsidian Saga

Everyone in the world have just been given power beyond imagination. And suddenly, the fiery Aidan finds himself in a land that is magnificent, as it is terrifying. Orphaned and alone, he soon grows tired of the chaotic new world and searches for an escape, finding it in the friendship of powerful warriors, and the arms of the beautiful sorceress, Leah Ainsley. But his destiny is not one of peace. There are dark forces on the horizon. And he quickly discovers that if he has any chance of preserving his new life, he will have to battle immortal enemies, overcome impossible odds and ultimately tame his dark and tortured heart. Ultimately, he must choose between power or honor...vengeance or love. This is an epic saga of honorable warriors and long lost love, of powerful magic and breathtaking romance, of political intrigue and dark mysteries, mythical beasts of legends and fields of dreams.
