

New School

In Dash Shaws new, full-color original graphic novel, a boy goes to seek his brother on a theme-park island. In this brand new graphic novel from the acclaimed author of *Bottomless Belly Button* and *BodyWorld*, Dash Shaw dramatizes the story of a boy moving to an exotic country and his infatuation with an unfamiliar culture that quickly shifts to disillusionment. A sense of being different grows to alienation, until he angrily blames this once-enchanting land for his feelings of isolation. All of this is told through the fantastical eyes of young Danny, a boy growing up in the 90s fed on dramatic adventure stories like *Jurassic Park* and *X-Men*. Dannys older brother, Luke, travels to a remote island to teach English to the employees of *ClockWorld*, an ambitious new amusement park that recreates historical events. When Luke doesnt return after two years, Danny travels to *ClockWorld* to convince Luke to return to America. But Luke has made a new life, new family, and even a new personality for himself on *ClockWorld*, rendering him almost unrecognizable to his own brother. Danny comes of age as he explores the island, *ClockWorld*, and fights to bring his brother home. *New School* is unlike anything in the history of the comics medium: at once funny and deadly serious, easily readable while wildly artistic, personal and political, familiar and completely new.
