

Chilling and mysterious folklore comes to life in this supernatural thriller about a writer investigating ghost legend in a town in denial. Stakes are raised when the writer protagonist discovers a Native American burial ground under an Eastern Shore jail and begins hallucinating black shapes and undulating snakes. This poltergeist fable is based upon the spirit myth of Dorchester County as well as Lynnes personal ghost narrative. Like a parable with a little bit of dangerous truth, the ghost stories are all genuine.

Souled Out, Between the Sunset and the Sea: A View of 16 British Mountains, The Unexpected Christian Century: The Reversal and Transformation of Global Christianity, 1900-2000, Ga hosselen (Dutch Edition), Gypsies Year at the Golden Crescent (1897) (Hardback) - Common, Grayson Hall: A Hard Act to Follow,
