

New edition with photo-illustration and text notes critically updated. EarthCentre:The End of The Universe An Anthropic Odyssey An eschatological mystery re-solved An Epic drama proem. Part One. An epic funfairgroundride through the EarthCentre theme park of the past present and future...world mythology and religion, cosmology and the human sciences. Catastrophic solar and galactic apocalyptic events take the stage, as The life-ship starship departs for the greatest journey, through The Galaxy and into The Universe beyond. The author and reader by participation, deal with matters of liberty, life and love, and the constant presence and inevitability of death and oblivion along The Way. With the ultimate end in sight, certainty about the purpose of life in the Universe, gives way to uncertainty and the age old dream of immortality and moral matters of Good or Evil take centre stage, with consequences which from the beginning...were never in doubt. Heaven and Hell traveled and eventually explains The Universe in terms of our own anthropic understanding of free-will, empowerment and purpose. Begin the ultimate journey. Body, Mind & Spirit / Ancient Mysteries & Controversial Knowledge. To: The End of the Universe. Part One...to be continued...Universal VersesOne1...
