

Meditation (Meditation Part 1/Edward Cayce Readings Volume 2)

Edgar Cayce's unique approach to meditation. Much more than simply a guided meditation, this program teaches the specific method of meditation advised by the famed Edgar Cayce. This is a complete step-by-step explanation of his unique approach to meditation based on information received while conducting his trance-like readings. While listening to this program, you will learn to: identify your personal and spiritual ideals, create your own affirmation mantra, use your personal spiritual ideals as sources of self-actualization, move energy through the spiritual centers of your body to enhance healing and harmony. Meditation by Edgar Cayce also features a special meditative sound environment, recorded utilizing a state-of-the-art, 360-degree sound technology. This blending of specially composed music with the natural sound of a tranquil setting will provide you with your own meditation place to which you can escape simply by putting on your headphones.
