

Proof And Edit: Comma Special (The Authorship Adventure Series Book 6)

Commas demystified simple patterns, easy to recognize and put right. Proof And Edit: Comma Special Make peace with your commas the painless, effortless way. The sixth module of the Authorship Adventure Series for writers provides a stress-free, definition-free, simplified explanation, with plenty of examples on the way commas should be utilized in writing. The book is divided into sections, by familiar pattern, each with one clear idea and samples of how the commas should be used in that specific instance, and also what could go wrong when these simple rules are ignored or mistaken. Polish your novel at next to no cost, and make your readers happy. Use in conjunction with Proof And Edit 101 and How To Build A Novel - What works, what doesnt, and how to fix the unfixable, to improve more aspects of your writing, whether you intend to work alone or simply want to make your editors love working with you. The Authorship Adventure Series is designed as a set of free resources for members of Paper Gold Publishing.
