

ETA (estimated time of arrival)

ETA, (estimated time of arrival) is a psychological thriller/romance set in Western Australia in the present era. Wealthy Perth widow, Kate Cunningham vanishes on her flight in her own plane from Sydney to Perth, and re-appears twelve months later unaware, as she says, of her disappearance. Theories abound including; drug running in WA's north west, amnesia, and abduction. The Civil Aviation Safety Authority, and the Police are sure she has been drug running in WA's north west, but Kate's friend Lauren Gordon is adamant she has been abducted. The two women set out on a search to find the truth..
