

## Eve Eden vs. the Blood Sucking Vampires: Bedeviled (Volume 2)

The Bedeviled Trilogy - Book 2 A year ago the town of Twin Forest was almost overrun by zombies, an incident so hellish it turned Eve Edens hair white. She now dyes it black to suit her mood. A mood thats worsened when shes abducted by vampires and taken to England once again. Enter James. Hes sixteen years old like Eve and he also possesses a secret as volatile as her own. James is English and hes got a smokin hot accent to rival Nathans. Ah, Nathan, Eves moody would-be vampire boyfriend. That is, he would-be her boyfriend if hed stop acting so intense all the time. As for the other moody vampires, theyve only got one mood and its an angry, foul tempered one. Not even Thunderbug and his epic farts help much when it comes to facing off against the blood sucking vampires!
