

Ever Tempted (Cursed Series)

An infinity of lives, only one eternal love When Cole Kinsley asked Allie Knowles for her hand in marriage, he meant it. Death be damned. Nothing could keep them apart, not even a hundred years or more. Not even the vindictive spirit of Allie's dead sister Grace. Released from her watery grave, she offers Cole a devil's bargain. But to Cole, no price is too high when it comes to his beloved. Allie thinks it's almost too good to be true. A week of bliss alone with Cole. His promise kept, after all they've suffered at the hands of her sister. To feel the strength of his arms around her again. But when she learns of the sacrifice he made to be with her, she plunges into despair. Forever has slipped from their grasp unless forever apart is their true destiny. . .
