

# Where To Now? The Ultimate Guide to Career Transition: For Executives On The Move

This book is a guide and coaching manual for Executives who are experiencing career transitioning, to clarify their career direction and to re-invent themselves and their career. The economy has impacted on the hiring market and most executives were never taught that 78% of the positions are never advertised. For you, the reader: This book offers a quantum leap in the quality of your job search and the uncovering of the hidden job market. It offers an easy step by step guidance, a self-paced career management system. You will find that this book is crammed with advice, information, hot tips and exercises. It will improve your ability to market yourself, help you develop a winning strategy and support your move to the next level in your field.
