

Exhibit A: Proof that God wants you wealthy!

Did you know that God wants you wealthy? Did you know the primary proof of this is found in His word, the Bible? Not only that, did you know He actually outlined Biblical principles to help us achieve this? Sadly too many Christians aren't aware of this and are struggling with debt and trying to make ends meet. This book aims to help address these facts and more. It's written in order that you would be able to discover Biblical principles that will help you break free from the grip of money. In doing so the hope is you would discover that God's desire for you to be wealthy goes hand in hand with His kingdom being advanced, the Gospel being proclaimed and needs of hurting, hungry and desperate world being met. It's time to examine the proof: it's time to examine Exhibit A. Some of the key points covered. Biblical economics. Tithes and offerings. Your perception of money. Work ethics. Debt Management. How you see yourself. Can you handle true riches? Does your money work as hard for you, as you do for it?
