

Extraterrestrials Are On The Moon And Mars: The Photographic Evidence

Extraterrestrials Are On The Moon And Mars (The Photographic Evidence). Another thought provoking book by Turnage reveals shocking new evidence that there have been extraterrestrial civilizations on the moon and Mars in the past. Aliens continue to operate on both worlds. Fresh discoveries from the author indicate that the builders of interplanetary monuments such as the FACE ON MARS and a gigantic CULT SYMBOL of the most infamous SUMERIAN deity, EA/ENKI, are none other than the Sumerian deities of ancient Mesopotamia. The book includes mathematical evidence, geometric designs, NASA photographs (frame numbers) and illustrations supporting this authors theory.
