

Immortal Beloved: Book 2 of The Knight Trilogy (Volume 2)

As Mina begins to piece together her broken heart Blake's heart is in the hands of the evil and beautiful Morgan Le Fay - and it is in mortal peril. In the aftermath of the Blakequake, Mina finds herself back in the Real World and lost at sea. It is only the power of friendship that stops her from complete self-destruction. And then, just when she begins to accept that the fairy tale world of The Realm was nothing but a magical memory, The Realm comes calling. This time it is up to the damsel to save her knight. As events unfold in Egypt, and ancient, dark rituals are resurrected, Mina and her friends are forced to race the clock to save Blake from the terrors of the Egyptian Underworld - and the bewitchment of Morgan Le Fay. The question is, who will win in the fight for Blake's heart?
