

The Fall (The S-series Book 1)

Have you ever wondered if the devil was real? Exactly how did the war between him and God come about? The Fall provides a potential answer to those question; showing Lucifers beginning as an Angel of light and what led him to think he could dethrone God and take over Heaven. That mutinous act was stopped and he and his traitorous angels were kicked out of their Heavenly abode and fell to the Earth. That fall from grace had far reaching implications for the tiny planet called earth and man that was created by God to inhabit it.
