

Falling Down The Rabbits Hole: Based on True Paranormal Events

Based on true paranormal events. Encounters of hauntings, cryptids, demons, doppelgangers, alien encounters and other strange and bizarre events. Falling Down The Rabbits hole is a book beckoning the reader to venture into the realm of the paranormal. Author and paranormal researcher, Chris McDaniel, relives his strange and bizarre encounters. Chris began experiencing odd occurrences in his childhood. Throughout the years, Chris continued to encounter a wide variety of unexplained happenings. This domino effect leads Chris to organize his own paranormal research team, Creepy Legends Paranormal Research, in search of answers, evidence and a better understanding within the paranormal realm. Chris details his encounters of hauntings, cryptids, demons, doppelganger and even a possible alien encounter. Take this plunge into the wonderland of the paranormal with Chris McDaniel as he seems to be Falling Down The Rabbits Hole.
