KUDOS FOR NO STRINGS ATTACHED: "This book is a magnificent compilation of the stories of many souls who have had very different journeys, but that have somehow managed to reach the same destination, that being love. The art of self-love, unconditional love, just love. I resonated with so many of them, through tears and through joy. So too, if you allow yourself to truly connect, you will experience their journeys through the eyes of non-judgment and love. Thank you, Ani, for your immense effort to gather all of these amazing stories and to share them in such an incredibly beautiful way. You are a true example of unconditional love and I'm so honored to be on this journey with you, my friend." —Lisa Noland, Psychic Medium/Trance Channel "I have to tell you again how much I loved this book! I know that it will impact so many peoples lives in such a positive manner. It is really going to cause a major shift in the way we think and act and love as human beings." —Cat Thaman Lewis, Editor
